August 16, 2015

Dear Business Owner,

On September 26th, 2015, Brielle Recreation will be sponsoring the annual Coaster Derby. It will be held on Schoolhouse Road as it has in the past. This event will be open to young racers between the ages of 7 and 13 who live in either Brielle, Manasquan or Wall. We anticipate between 40-50 cars to participate in the 7th annual downhill race.

Our goal besides trophies for the fastest cars, best workmanship and Judge's award is to award, electronic games and hopefully bicycles to the winners. In addition each participant will receive a t-shirt, lunch and various other gifts. Also, each racer who does not win a primary trophy will receive a participation award.

This is where we need your help. If you would be so kind to donate a piece of this event it will be a huge success. There will be four categories of sponsorships ranging from Gold which is a contribution valued over \$250.00; Silver \$101.00- \$250.00; Bronze \$50.00-\$100.00 and Benefactor for a contribution under \$50.00 Each sponsor who contributes prior to September 20, 2015 will be mentioned in the program that will be distributed to all spectators and participants. In addition Gold, Silver and Bronze sponsor's names and businesses will be showcased on banners displayed along the course on Race Day.

If you have any questions on sponsoring this event please contact me at 732-259-5793.

Thank you for your support.

Sincerely,
Stephen Speicher,
Brielle Recreation Commission
Race Director
